

Loving someone is not easy
when you're young being held down.
No room to run.
So find someone.
Who runs with you,
For you,
Only you.

Running is a hard sport to play,
So play it well.
Run fast,
Run far.
Don't stop,
Don't slow down.

But run too much.
And you will fall.
For and down.

People say "Love is a game"
However it's not!
It's a passion.

I don't gamble with something so fragile
As my heart, or of others.
I don't gamble.

I walk the tightrope with hope and passion.
As love is not a game to be played
But a life in itself to be lived.
Lived well and taken care of.
The balance hangs between two people who care.
Not to play but to love is different,

It's just life.

I live today.
I love today.
Will you?
